

Climate Change Survey: Before

Thanks for using Dynamic Earth's climate change learning resources! Before you get stuck in, we recommend taking a moment to think about what you know about the topic already. You can do this as a class or fill out sheets individually - whatever works best for you.

Write down **three words** you think of when you hear the term "Climate Change":

Write down **one example** of something that is affected by climate change:

Write down **one example** of what you think world leaders should do to fight climate change:

Write down **three things** people do that you think could be making climate change worse:

Finally, what is **one new thing** you would like to learn about climate change?
