Level 1

Listening and talking – LIT 1-04a

As I listen or watch, I can identify and discuss the purpose, key words and main ideas of the text, and use this information for a specific purpose.

Forces, electricity and waves – SCN 1-07a

By investigating forces on toys and other objects, I can predict the effect on the shape or motion of objects.

Topical science – SCN 1-20a

I have contributed to discussions of current scientific news items to help develop my awareness of science.

Craft, Design, Engineering and Graphics – TCH 1-09a

I can design and construct models and explain my solutions.

Level 2

Listening and talking – LIT 2-04a

As I listen or watch, I can identify and discuss the purpose, main ideas and supporting detail contained within the text, and use this information for different purposes.

Planet Earth – SCN 2-06a

By observing and researching features of our solar system, I can use simple models to communicate my understanding of size, scale, time and relative motion within it.

Topical science – SCN 2-20a

Through research and discussion I have appreciated the contribution that individuals are making to scientific discovery and invention and the impact this has made on society.

Topical Science – SCN 2-20b

I can report and comment on current scientific news items to develop my knowledge and understanding of topical science.

Craft, Design, Engineering and Graphics – TCH 2-12a

I can extend my knowledge and understanding of engineering disciplines to create solutions
