

Handprint Dinosaurs

This is a super easy craft to help you make some creative and interesting dinosaurs!

What you need:

- Paint (two colours are fine)
- Paint brushes
- White paper

What to do:

1. Paint your hand with green paint.

2. Make a handprint on the paper.

3. Fill in any gaps with green paint and add a heads or tail if you need to.

4. Add details in a different colour to make dinosaurs and be as creative as you like.
